

The background of the slide is a dense field of 3D-rendered numbers in various shades of blue and white. The numbers are of different sizes and are scattered across the entire frame, creating a sense of depth and movement. Some numbers are in the foreground, appearing larger and more detailed, while others are in the background, appearing smaller and more faded. The overall effect is a dynamic and mathematical aesthetic.

Calculatrice v1

The background features a dense field of 3D-rendered numbers in various sizes and orientations, creating a sense of depth. Overlaid on this is a dark grey flow diagram. It starts with a black arrow pointing right, which then turns downward into a black arrow pointing down. This downward arrow points to a dark grey rounded rectangle containing the text 'Réaliser une calculatrice avec les fonctions en javascripts'.
